

Acknowledgements

The “Oxytocin to Start or Advance Labour: 5 questions to ask” is a patient resource that has been co-developed with patients, front-line health care experts and an advisory panel including representation from:

- BC Women’s Hospital and Health Centre
- CAE Healthcare
- Canadian Association of Midwives (CAM)
- Canadian Association of Perinatal and Women's Health Nurses (CAPWHN)
- Canadian Medication Safety Coalition
- Canadian Medical Protective Association
- Canadian Patient Safety Institute (CPSI)/Healthcare Excellence Canada
- Canadian Society of Hospital Pharmacists (CSHP)
- Fraser Health Authority
- Hamilton Health Sciences Centre (HHSC)
- Healthcare Insurance Reciprocal of Canada (HIROC)
- Horizon Health Network
- Institute for Safe Medication Practices Canada (ISMP Canada)
- The Ontario Association of Midwives
- Patients for Patient Safety Canada (PPSC)
- Provincial Council for Maternal and Child Health (PCMCH)
- Society of Obstetricians and Gynaecologists of Canada (SOGC)
- Sinai Health System
- Winchester District Memorial Hospital (WDMH)

ISMP Canada gratefully acknowledges the development and review of the “Oxytocin to Start or Advance Labour: 5 Questions to Ask” document by the Advisory Panel: Laura Zahreddine (PCMCH), Maryann Murray (Patients for Patient Safety Canada), Christie Weber (Patient Advocate), Abigail Corbin (Ontario Association of Midwives, Canadian Association of Midwives), Doug Doucette (Horizon Health Network), Marilyn Underhill (Horizon Health Network), Christa Wheeler-Thorne (Horizon Health Network), Joanna Noble (HIROC), Joyce Cheng (Fraser Health Authority and BC Children’s Hospital), Kim Kinder (Healthcare Excellence Canada), Lianne Jeffs (Sinai Health System), Liisa Honey (CMPA), Loretta Webel-Edgar (HIROC), Stephan Monk (CAE Healthcare), Vanessa Paquette (BC Children’s and Women’s Health Center), Jennifer Blake (SOGC), Sharon Dore (CAPWHN), Marilyn Crabtree (WDMH), Cividino Shashta (HHSC), Ioana Popescu (Healthcare Excellence Canada), Carolyn Hoffman (ISMP Canada), Sylvia Hyland (ISMP Canada), Dorothy Tscheng (ISMP Canada), Lynn Riley (ISMP Canada), Kris Duwyn (ISMP Canada), Melissa Sheldrick (ISMP Canada), Lesley Graham (ISMP Canada), Alice Watt (ISMP Canada). The document was also reviewed by members of the SOGC, CAPWHN, PCMCH, and CAM.

Finally, we would like to thank the members of the Canadian Medication Safety Coalition which is co-chaired by the Canadian Patient Safety Institute (Healthcare Excellence Canada) and the Institute for Safe Medication Practices (ISMP) Canada for their advice and funding support.
